

# Custom Race

## Custom Race

### Technical data:

- materials: reinforced nylon shell and weather-resistant thermoplastic rubber insert
- self-adjusting rubber insert
- glossy, opaque or chrome finish

Design, materials and features on the Custom Race turn it into the ideal bottle cage to use with both soft and rigid plastic bottles.

### Bottle cage features:

- the first-self-adjusting bottle cage that adapts to the diameter of the bottle.
- Reinforced nylon shell.
- It adapts to the diameter of the bottle, expanding and contracting: the elastic joint accompanies the bottle, varying its diameter.
- Particularly recommended for small and sloping frames suitable for: those seeking a bottle cage that holds the bottle securely, thanks to its new custom trim.
- Custom Race's refined and aggressive design is available in a wide range of colours, suitable for any type of bicycle.
- Elite supplies customers with a bottle cage that is versatile and elegant but also well performing and reliable.
